

The Waterloo Ravens has been built from the ground up through a strong volunteer base. This organization would not be able to exist without this valuable resource and as such we would like to give back to the players who have not only invested their time to play, but have invested their time to give back to this great organization. The main criteria for the Waterloo Ravens scholarship are that the members volunteer within our organization. This is not an academic scholarship. The Waterloo Girls Minor Hockey Association goal is for players one day to return to our organization in the future as either coaches, players or parents!
